ABOUT THIS WINERY

Alma Negra was founded by Ernesto Catena, a 4th generation winemaker of Italian descent who, having spent a part of his life working as a designer and being a fervent student of Renaissance humanism, sees it as his mission to transform everything in his wine world into art, from growing the grapes to making wine to selling it.

TASTING NOTES

A wine with dense, dark, and intriguing aromas of dark berries and coffee with a wonderful earthy aroma. It flows smoothly with rounded tannins which last for a long time with echoes of cooked ripe blackcurrants.
