ABOUT THIS WINERY

Sokol Blosser is one of the pioneering wineries of the now-prominent Oregon wine industry. The winery is family owned and operated, with the second generation now at the helm: siblings Alex and Alison Sokol Blosser. Today the winery farms 128 acres of vineyards and creates wines of world-class quality, produced in a sustainable manner, which reflect the distinctive flavors of the grapes, soil and climate.

TASTING NOTES

Dangerously floral and fruit-driven with a crisp finish. This wine makes it easy to enjoy drinking a young Chardonnay, and even easier to share with friends.

PRODUCT NOTES

The Willamette Valley saw a mild summer and an even cooler fall. Harvest time came with the added bonus of a few massive rain events, but the vineyard team was on it! Picking was skillfully timed and the fruit came in at just the right moment.

PRODUCTION NOTES

The winemaking team crafted a Chardonnay in the style they'd like to drink themselves. The 2019 Evolution Chardonnay is anything but buttery, decidedly not oak-y and refreshes like summertime sprinklers. This Chardonnay is fermented and aged in stainless steel tanks to keep the wine crisp and bright!
