#### ABOUT THIS WINERY

Bodega Noemia was inspired by the discovery of a small plot of old vine, pre-phyloxera Malbec in the Río Negro Valley, where almost non-existent rainfall and incessant breezes make vine diseases virtually unknown. Noemia is 1½ hectares of Malbec planted in 1932, which means they are pre-phyloxera and massale selected. J.Alberto is a 4 ½ hectare plot divided into 5 blocks of inter planted Malbec at 95% and 5% of Merlot.

#### TASTING NOTES

Aromas of intense dark fruit, with hints of coffee, dark chocolate and spice notes. Balanced and elegant, well-integrated fruit, tannins and acidity with a persistent, long finish.
