	Regulated designation	Denominación de Origen
	Region	Valencia
	Varietal(s)	Tempranillo 100 %
	Colour	Red
	Sugar	Dry
	Closure type	Cork

ABOUT THIS WINERY

Pure Est Wines aims to create a community where all wine lovers (new and old) share a link, a connection to the nature. Produced from organic vineyards and practices, the Pure Est philosophy is founded on producing excellent Spanish wines that resonate with the soils and terroir where their grapes are grown.

TASTING NOTES

Farmed on organic vineyards with minimal intervention, this wine exhibits intense notes of rich fruit. Elegant and balanced aromas meld seamlessly into flavours of plum and strawberries.

PRODUCT NOTES

The vineyards are located on soils made of white limestone that lay at an altitude of approximately 700 meters above sea level in the southwest of the province of Valencia.

PRODUCTION NOTES

Fermentation takes place at 18°C. The wine goes through a short maceration time of 6-7 days. A brief period of French oak aging lends an elegant yet subtle note of toast to the wine.

PURE EST.
