ABOUT THIS WINERY

Olivier Humbrecht is one of the world's most renowned winegrowers. A Master of Wine who has been described by Robert Parker as the greatest white winemaker on earth. Yet he is very soft spoken, humble, and self-deprecating. He is a champion of terroir, biodynamic farming principles, and non-interventionist winemaking, whose family have been winegrowers in Alsace for 12 generations (since 1620).

TASTING NOTES

Bright pale yellow colour. The nose displays elegant fruity and floral aromas with medium intensity. The warm harvest sunshine ripened the grapes to perfection which means more complex flavours and less varietal character. The palate is delicate but persists nicely. Like most wines in 2020, it also has interesting tannins that makes the acidity taste more intensely and saline. This is a well-balanced wine, completely dry (but not aggressive) which is already so enjoyable at this young age.
