#### ABOUT THIS WINERY

Located in the Awatere Valley, Marlborough, Yealands Family Wines produces award-winning wines in harmony with nature. Holding this philosophy at the heart of their craft has seen Yealands Family Wines lead the world in sustainable winegrowing. But most importantly, it means producing great tasting wines which don't cost the earth.

#### TASTING NOTES

The nose shows citrus notes, underpinned with aromas of fresh herbs and blackcurrant leaf. Full, lively and balanced on the palate with a long, crisp mineral finish. Enjoy with seafood, chicken, salads and pastas. Suitable for vegetarians, vegans and a gluten free diet.

#### PRODUCT NOTES

The 2019 growing season in Marlborough was a hot and dry one. Small amounts of rain fell towards the end of December, but then nothing further until late February. These rain events had very little impact on soil moisture levels, but helped to replenish local rivers. This meant blocks of grapes could be picked at their optimum ripeness.

#### PRODUCTION NOTES

Selected parcels of Sauvignon Blanc from the Awatere Valley vineyards were used to craft this wine. The fruit was harvested over a period of twenty days. At the winery, the fruit was de-stemmed and gently pressed. Each of the individual parcels were fermented separately using a range of selected yeasts to enhance varietal characters. The wine was then blended, stabilized and filtered in preparation for bottling.
