#### INFORMATION SUR LE DOMAINE

Bijou first began in Cabrières, a tiny and idyllic region in the Languedoc-Roussillon just 30km north from the Mediterranean. This charming little village is dominated by the Pic de Vissou, an extinct volcano that provides our vineyards with very unique soil types. They have since expanded production into Provence and elsewhere.

Their focus has always been to make truly authentic wines that are delicious, elegant and reflect the local terroir.
