MAX FERDINAND RICHTER

Riesling Spätlese Veldenzer Eisenberg 2014

"The Independent Review of Mosel Riesling"

“ This Spätlese was harvested at 87° Oechsle from the old vines (planted in the 1950s-1960s) in the Eisenberg. It offers very elegant scents of white minerals, white mint, white and yellow peach, pineapple and grapefruit on the nose. What makes this quite irresistible is the gorgeously side on the palate, being at the same time nicely ripe, elegant and fresh. A gorgeous touch of whipped cream adds finesse to the long and mouth-watering finish. This a terrific effort, with plenty of upside potential!
