“ (from Les Vignots). An earthy dark berry fruit nose displays top notes of violet where the earth character is also found on the rich and punchy middle weight flavors that possess a lovely mouth feel, all wrapped in a lingering finish. This is not especially concentrated but I like the balance and complexity. ”

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
