BURGHOUND.COM

The ultimate Burgundy reference

“ This is still a bit aromatically raw as there are residual fermentation aromas in evidence. There is good verve, detail and concentration to the delicious and solidly complex middle weight flavors that possess lovely balance and length. This is a relatively refined version of the appellation. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
