BURGHOUND.COM

The ultimate Burgundy reference

“ Here the reduction is sufficiently pronounced to flatten the fruit and render it hard to evaluate. There is superb intensity and minerality to the beautifully well-delineated middle weight flavors that also possess plenty of that lovely underlying tension on the balanced and impressively persistent finish. As the best example of Latricières always are, this is a wonderful combination of finesse and focused power. Terrific. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
