Mosel Fine Wines

"The Independent Review of Mosel Riesling"

91 POINTS

"Made out of the coveted Goldwingert parcel, this has quite a superb aromatic profile which offers some yellow vineyard peach, flowers, infused smoke, earl grey tea and a touch of vanilla cream. The wine is juicy and offers intense flavors of peach and other juicy fruits, all wrapped into a most fresh and spicy structure. This is clearly Spätlese in style but, as such, is a superb wine."
