Tasted previously continues to thrill in mineral char and length. From the Fingerprint File, my previous note, “glides in so much variety balance I can imagine showering with wine. You will not pigeon-hole this-worldly and structured white because its finesse reaches out across the great mineral vs tropical divide debate. Sure, there is timbered-driven, golden-fleshed apple, green melon and buttered, toasted bread, but there too is a sting of acidity. Stellar year for Napa Chardonnay. Great glass of sunshine.
