explore all things wine

“ (Liger-Belair vinified this wine with some whole clusters--30%--for the first time, in an attempt to extend its finish): Good deep red. At once wild and delicate on the nose, offering perfumed scents of raspberry, fraise des bois and minerals. Sweet, plush and fine-grained but with a light touch for its density. Finishes with a saline element and good mineral lift. The whole clusters add an herbal accent but the wine does not come across as green. ”
