VINOUS
explore all things wine

(50% new oak; 25 hectoliters per hectare; destemmed owing to the flies): Healthy bright red. Slightly reduced aromas of dark cherry, spices and crushed rock lifted by a refined floral quality. Juicy, dry and very primary; this unforthcoming, rocky wine is hiding more than it's showing today. Best now on the perfumed, firmly tannic, lingering finish. All in reserve. The Gruenchers finished its malolactic fermentation very late and like some of the following wines it may not be racked until after the winter, with the bottling taking place as late as June or July.
