Wine Spectator

95 POINTS

This is expressive, its pastry- and toast-tinged peach, lemon and spice flavors set against a creamy texture. The firm structure emerges on the finish, which is long and evokes stony, mineral elements.

About Wine Spectator

Wine Spectator editors review more than 15,000 wines each year in blind tastings. Every issue of Wine Spectator magazine contains from 400 to more than 1,000 wine reviews with detailed tasting notes and analysis. We set stringent standards for ourselves and rely on the proven ability and experience of our editors as tasters and critics.
