BURGHOUND.COM

The ultimate Burgundy reference

This offers up a completely different aromatic profile than that of the Mazis with its extremely cool, restrained and ultra-elegant nose of a broad range of wild red berry fruits, stone, floral notes and spice hints. There is exceptionally good purity and transparency to the intensely mineral-inflected middle weight flavors that evidence ample power on the impeccably well-balanced and linear finish. This is a really lovely effort that embodies that ineffable quality of power without weight.

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
