MAX FERDINAND RICHTER

Riesling Kabinett Graacher Himmelreich
2015

“ This Kabinett comes from fruit out of the privileged Goldwingert sector harvested at 87° Oechsle. The wine offers a great nose of white peach, pear, flint stone and green herbs. A focused and fresh palate leads to a clean and fresh feel in the sharp and acidic finish. This backward effort still needs time to develop its goods but could then easily exceed our high expectations. 2025-2040 ”
