BURGHOUND.COM

The ultimate Burgundy reference

“ This is the first wine to display much reduction and here it’s enough to dominate the nose. Otherwise there is lovely detail and verve to the medium-bodied flavors that exude a fine minerality on to the moderately rustic and attractively complex finale. This too should be approachable young if desired. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
