BURGHOUND.COM

The ultimate Burgundy reference

“ Strong reduction dominates the nose at present. There is brilliantly good delineation, indeed the medium weight flavors could aptly be described as chiseled, along with a lovely sense of underlying tension to the more mineral-inflected finale that possesses strikingly good persistence. This impeccably well-balanced effort is a classic Chambolle of grace and lace. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
