BURGHOUND.COM

The ultimate Burgundy reference

“(blended from 3 separate parcels). There is enough reduction present to suppress the underlying fruit. On the plus side there is a lovely sense of tension to the very fresh, focused and overtly powerful big-bodied flavors that possess both first-class volume and precision, all wrapped in a youthfully austere and explosively long finale. The tannins are relatively fine-grained for the appellation but note well that this is a take-no-prisoners example and as such it would be pointless to open a bottle before its 10th birthday.”

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
