The ultimate Burgundy reference

“ (a little seen villages that is situated on the Vosne side just beneath the 1er Bousselots; 40% whole clusters). A relatively elegant nose offers up notes of various red berries that are liberally laced with floral, earth and spice nuances. There is very good volume to the generously proportioned mid-palate that immediately tightens up on the linear, tight and focused finish that is both austere and mildly rustic. This is also going to require a few years of cellar time to shed some structure and round out.

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
