The ultimate Burgundy reference

“

(from a .72 ha parcel on the Vosne side in the middle against the wall; 20% whole clusters). Reduction again dominates the nose. The big, bold and muscular broad-shouldered flavors also possess plenty of mouth coating dry extract that helps to buffer the very firm tannins before terminating in a backward and austere but gorgeously long, balanced and complex finish. This distinctly old school and overtly powerful effort is pointless to buy unless you have the express intention of cellaring it for at least 10 to 12 years.

### About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
