Wine & Spirits
MAGAZINE

93 POINTS

“Farmed under Biodynamics at Grgich’s American Canyon and Carneros estate vineyards, this wine has the intensity of flavor that fruit can give at the peak of ripeness. The depth of that fruit flavor ranges from tart pear skin to kumquat, both brisk and resonant. Its underlying earthiness parallels the structure of a classic Loire chenin; a sauvignon that’s refreshing with river fish and big enough for foie gras.”

About Wine and Spirits Magazine

Founded in 1982, Wine & Spirits is published eight times a year and read by over 200,000 members of America’s wine community. Consumers and wine professionals read the magazine for information on established and up-and-coming regions and producers, the art and science of viticulture, industry happenings and food and wine pairing. Wine & Spirits, the only wine publication to win the James Beard award five times for excellence in wine writing, evaluates more than 13,000 bottlings every year.
