GRGICH HILLS

Fumé Blanc, Sauvignon Blanc 2011

Top 100 wines 2011

San Francisco Chronicle

“ Mike Grgich's Napa legacy is in spectacular form right now, with this dramatic verberna-accented bottle from biodynamically farmed estate parcels in American Canyon and Carneros. Racy but deep flavored, it's a style that - for all the quaintness of the name - is very much a sign of the new Napa. ”
