BURGHOUND.COM

The ultimate Burgundy reference

“ (blended from 3 separate parcels). Earthy red berry fruit aromas trimmed in a discreet touch of wood spice are laced with earth, forest floor and violet hints. The full-bodied and tautly muscled broad-shouldered flavors possess excellent power and detail on the stunningly long, mildly rustic and youthfully austere finish. This is quite serious and clearly very structured yet it stops short of being overtly old school in style; that said, this will not be an early drinker. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
