BURGHOUND.COM
The ultimate Burgundy reference

“ A pretty if restrained nose speaks of various wild red berries, earth and once again sauvage nuances. The supple yet concentrated medium weight flavors possess both fine volume and detail on the punchy and lightly mineral-inflected finale that is less rustic than usual. What is entirely typical though is the expected aging curve as this is almost certainly to be extremely long-lived. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
