91 POINTS

Racy, pungent, mouthwatering. I love the name land made, because wine comes from the land, with a little help from man, of course.

It is a racy and precise wine that will have your mouth watering before your first sip. Notes of mineral, saline, gooseberry, passionfruit lime, lemongrass and green apples pop out of the glass. It is mouthwatering, pungent and razor sharp. A lengthy and honest savvy, which will make you pucker up.

À propos de Wine Scores

What is a wine score and how do wine reviewers (I don't refer to myself as a wine critic, I review wine, I don't criticize it) decide on that score? A wine score is a numerical rating wine reviewers give to a wine based on a series of elements. Every wine reviewer (or wine critic) has their own method of getting to a conclusive number even if they use similar guidelines to one another.
