### Mosel Fine Wines

*"The Independent Review of Mosel Riesling"*

91 POINTS

“ The Juffer Kabinett (AP13) was harvested at 84° Oechsle. It offers a delicately creamy nose of vineyard peach, melon, grapefruit and fine herbs. The wine is juicy and spicy on the palate and leaves a great refreshingly tart feel in the long and focused finish. This structured Kabinett will need a good decade in the bottle in order to develop its full potential. It could eventually warrant a higher rating as it mellows away and integrates aromatically. 2026-2041 ”
