BURGHOUND.COM

The ultimate Burgundy reference

“

A cool and highly restrained nose requires aggressive swirling to reveal its aromas of Granny Smith apples, lavender and mineral-reduction. The energetic medium weight flavors brim with minerality while offering good power and drive on the refined and impressively long finish that is shaped by firm and bright acidity. This too is lovely.

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
