The ultimate Burgundy reference

“

An attractively complex and unusually refined nose speaks of red currant, kirsch, soft earth and a hint of wood spice. There is a refined mouth feel to the larger-scaled flavors thanks to the fine grain of the ripe and well-integrated tannins on the mildly austere and impressively long, indeed even explosive finish. This is terrific and the backend offers the same excellent depth the nose promises. Lovely stuff. 2026+

#### À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
