BURGHOUND.COM

The ultimate Burgundy reference

“ Very generous wood dominates the otherwise fresh nose of dark berry, earth and humus aromas. The supple and round medium weight flavors possess good mid-palate concentration and verve before terminating in an austere, cool and mineral inflected finish. My predicted range assumes that the wood can be successfully integrated. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
