Bonarda Armando 2016

Descor ChadOS

90 POINTS

They get about 35,000 bottles of this bonarda from a 6-hectare pergola-trained vineyard that responded very well to this very cool year in Mendoza. Here the acidity of a cold year marks the fruit and lends tension, but the flavors continue to be very bonarda-very lush.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
