CONFURON-COTETIDOT

“ Here too there is enough reduction and wood influence to overshadow the underlying fruit. There is superb intensity and mid-palate density to the overtly muscular, detailed and powerful broad-shouldered flavors that brim with both dry extract and minerality before delivering outstanding length and depth on the balanced if markedly austere and backward finish. This is terrific but I underscore that it would be largely pointless to open a bottle of this beauty young. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
