DOMAINE DE BEAURENARD

Châteauneuf-du-Pape Boisrenard 2017

Domaine de
BEAURENARD

International WINE REPORT

96 POINTS

The 2017 'Boisrenard' is yet another absolutely sensational release of this cuvée from the Coulon Family. It is composed of 66% Grenache along with 12% both Syrah and Mourvèdre with the remainder consisting of other permitted varieties. As it begins to unwind in the glass it offers stunning aromatics of ripe blackberries and dark cherries which are woven together with exotic spices, espresso, smoke, licorice, graphite and minerals all taking shape. On the palate this possesses a gorgeous polished texture and shows wonderful overall balance, depth and concentration leading up to the gorgeous finish. While this displays plenty of upfront appeal now, there is no doubt it will go on to age gracefully for many years to come.
