BURGHOUND.COM

The ultimate Burgundy reference

“ An exuberantly fresh array of plum, earth and pretty dark currant aromas leads to rich and surprisingly bold flavors that possess very good mid-palate density, all wrapped in a lightly stony and saline finish that is presently youthfully austere. Good stuff here and ageworthy too. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
