SANTA EMA

Cabernet Sauvignon Amplus 2014

Wine & Spirits
MAGAZINE

93 POINTS

The high altitude of Pirque, close to the Cordillera, offers herbal cabernet, often more delicate than wines grown in the rest of the Maipo Valley. Winemaker Andrés Sanhueza has considerably reduced the amount of new wood in his wines (in 2014, he aged 33 percent of the wine in new oak, down from 60 percent in past vintages), so the Pirque fruit is clearly felt here, delivering notes of ripe raspberries, strawberries, blueberries and herbs. The tannins are pointed, but covered by delicious fruit flavors that make it both juicy and firm. Enjoy its youthful energy with a beef brisket.

About Wine and Spirits Magazine

Founded in 1982, Wine & Spirits is published eight times a year and read by over 200,000 members of America's wine community. Consumers and wine professionals read the magazine for information on established and up-and-coming regions and producers, the art and science of viticulture, industry happenings and food and wine pairing. Wine & Spirits, the only wine publication to win the James Beard award five times for excellence in wine writing, evaluates more than 13,000 bottlings every year.
