JEIO

Prosecco Rosé 2020

90 POINTS

“ There is a nice, palate-cleansing salinity in this wine. It smells like rose petals and raspberries. The bubbles are subtle and fluttering. The palate is lean but with a grip around the edges. This is a great wine for welcoming guests or to drink with brunch. ”

About VinePair

VinePair is the largest digital media company delivering accessible, entertaining, and inspiring content about drinks and the experiences you have with a glass in hand.
