CATENA

Cabernet Franc Appellation Series San Carlos 2019

Descorchedos

92 POINTS

“ The San Carlos Vineyard in the Uco Valley, near the foot of the Andes, is rich in sand and calcareous deposits and that’s evident in this cabernet franc, a variety that seems to be very comfortable at those heights (more than 1,000 meters up) and in those mountain desert conditions in Uco, in southern Mendoza. The tannins have the texture of chalk, while the flavors are ripe and tempered by the local sun. The herbal notes of cabernet franc appear toward the end of the finish, providing freshness and complexity ”

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artisanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
