SANTA EMA

Sauvignon Blanc Select Terroir 2020

Descor Chados

90 POINTS

This sauvignon comes from Isla de Maipo, and although that's far from the cold influence of the Pacific, here it shows a range of delicious flavors of ripe white fruits with a very pleasing creamy texture that's easy to drink. The value for money is excellent.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
