ARGIANO

Brunello di Montalcino 2017

93 POINTS

As one would expect the Argiano comes streaming with magnificent fruit on the heels of a string of recent vintages inclusive and in many ways culminating at their near perfect 2016s. What has been learned and essential changes that have been made have led to making this effortless '17, relatively speaking but heat being little matter when acumen runs this high. Bernardino Sani has found the sweet spot, a place where optimum fruit ripeness can linger and develop all the necessary accoutrements to acquiesce at a positively proper meeting point. The length on this classic '17 is outstanding with thanks to the work put in.
