

TRIALTO

Wines of People, Place and Time*

TALENTI

Brunello di Montalcino Piero 2017

International WINE REPORT

95 POINTS

A lot of red berried fruits dominate the primary scene and blend with hints of lime, chamomile and mandarin rind. There's more with the beauty of bergamot and linden blossom which set the secondary scene. Medium to full bodied, fine grain light tannins and a decidedly pleasurable, distended finale. Better from 2022.
