

TRIALTO

Wines of People, Place and Time*

TALENTI

Brunello di Montalcino 2017

International WINE REPORT

94 POINTS

“

Warm and deep in the sensory profile showing notes of black prunes, blackberries, wild myrtle, salted caramel and burnt mandarin rind. Full bodied, soft tannins perfectly integrated in the matrix and a sincere, genuine finale which uses persistency on the palate as its main weapon. Better from 2022.
