EL ENEMIGO

Descor Chados

92 POINTS

From vineyards planted at an altitude of 930 meters in the Agrelo area, this is a semillon aged for 15 months in barrels with 20% under a veil of flor. The creamy sensation is strong here, leaving a friendly, round texture. Ripe fruit and honey flavors take over the palate.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
