FAIVELEY

Latricières-Chambertin Grand cru 2020

“ An overtly floral-suffused nose speaks of even more restrained notes of black cherry, earth, the sauvage and discreet spice nuances. The sleek, intense, refined and mineral-driven middle weight flavors possess cuts-like-a-knife delineation on the youthfully austere bitter pit fruit-inflected finish. Note that this is quite firm and will need time to both add depth and further flesh out. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
