BURGHOUND.COM

The ultimate Burgundy reference

“ A discreet though still easily perceptible dollop of wood sets off very earthy aromas of various dark berries, humus and old leather. The rich, powerful and seriously concentrated big-bodied flavors possess impressive size, weight and power along with good minerality on the attractively textured and hugely long finale where the only nit is again, a hint of warmth. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
