WINE ADVOCATE

**92 POINTS**

“ The white 2021 Selección Blanco was first produced in 1991, and since then, they have used the Viura and Malvasía grapes planted at the beginning of the rows, fermenting them in barrel and have added other varieties since 2016 they. This 2021 is a complex blend of mostly Viura, 11% Garnacha Blanca, 10% Maturana Blanca, 7% Tempranillo Blanco, 3% Torrontés and 3% Malvasía with 13.4% alcohol. It's from a cool vintage that delivered a vibrant wine with great acidity and freshness, serious, clean, with integrated oak and great aging potential. It finishes dry, with a chalky feeling. 48,000 bottles and 100 magnums produced. It was bottled in March 2022. ”

#### À propos de Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
