“

Based on the 2020 harvest, with only 5% red wine added, the NV Champagne Brut Rosé pours a bright pink salmon hue and jumps from the glass with a perfume of crushed roses, cardamom, ripe raspberry, and toasted brioche. Full-bodied, it's juicy on opening, filling the palate with refined red fruit and blood orange, and has a rounded mousse as well as a long finish. Perfect as an aperitif or to end the night, it also feels like it will have a good deal of life ahead
