MAX FERDINAND RICHTER

*Riesling Kabinett Veldenzer Elisenberg
2021*

93 POINTS

“ From old vines rooting in quartzite-slate soils, the 2021 Elisenberger Riesling Kabinett opens with a pure and stony, fruit-wise rather discreet but thoroughly mineral nose. Sweet and round on the textured palate, this is a saline, very elegant and linear Kabinett with sugared redcurrant notes on the stimulating saline and finely crisp finish. This is Kabinett as sorbet. It already drinks well young, but it will be more complex in 10-15 years. Bottled in May with 7.5% stated alcohol and a bit less than 50 grams per liter of residual sugar. The acidity is analytically at 11.4 grams per liter but is completely imbedded. Natural cork. Tasted at the domaine in July 2022. Drink fresh or matured. ”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
