LATOUR-GIRAUD

Meursault Cuvée Charles Maxime 2020

91 POINTS

“ Here too there are touches of smoke and petrol to the more complex aromas of essence of pear, hazelnut and acacia blossom. There is better volume to the equally punchy and attractively textured medium weight flavors that culminate in a clean, dry and lingering finale. This could use better depth, but more will almost certainly develop given the probable maturation curve. This too is worth checking out. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
